Career Experience

Brown Thomas Arnotts & COS (H&M Group), Associate- Sales, Ireland **Dec 2024 – Present**
Luxury Retail, 500+ Employees

- Drove revenue through structured, consultative customer engagement by identifying needs, handling objections, and guiding purchasing decisions; recognised as Employee of the Month for commercial impact and service excellence.
- Managed front-of-house and back-of-house operations, including delivery processing, stock replenishment, and visual merchandising, ensuring operational readiness and brand consistency.
- Collaborated cross-functionally with team members to maintain floor coverage, optimise workflow during peak periods, and uphold a consistent customer experience.

Nextyn Advisory, Assistant Manager – B2B Client Engagement, India **May 2022 – Jun 2024**
Market Intelligence & Business Advisory, 150 Employees

- Managed 30+ global accounts end-to-end across SaaS, fintech, IT and retail verticals - owning client relationships from project scoping through delivery, maintaining a 30% client return rate in a transactional engagement model.
- Identified and recovered disengaged accounts by diagnosing satisfaction issues through behavioral signals, renegotiating delivery timelines, and improving output quality - preserving client relationships and commercial outcomes.
- Recruited and matched 1,500+ industry experts across 300+ consulting engagements, ensuring tight alignment between client briefs and expert profiles under high turnaround pressure.
- Promoted twice within two years, contributing to 20% revenue growth through consistent delivery quality, upsell identification, and structured market research for strategic client decisions.
